PUBLICATIONS

Call for Journal Papers

Call for Book Reviews

Scholars and researchers from across disciplines are invited to address issues in international education and studies. The editors welcome papers on topics that can include, but are not limited to, our understanding of international studies, education, internationalization, globalization, teaching and learning in the context of international educational exchange, and within the university classrooms, issues regarding curricular development, and other related topics. We welcome critical, qualitative, quantitative, and social scientific perspectives. For more information and guidelines visit: http://phibetadelta.org/InternationalResearchandReview.php
